

## Change Leader Random Acts of Art - Guidelines

Random Acts of Art (RAA) encourages creative engagement in communities, spearheaded by Change Leaders. RAAs can range from cultural projects to targeted community-based activities.

### **Purpose:**

1. Support local civic engagement using arts as a medium and/or artists as active participants.
2. Illustrate the impact of arts and artists in meeting social/community needs through small projects that are **not** part of regular programming.
3. Assist Change Leaders in building value and increasing connections within their communities.
4. Strengthen and raise awareness of the arts and the Change Leader Program.
